

**IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF TEXAS
TYLER DIVISION**

ROBERT MILLER, #0866293,

Plaintiff,

V.

BRIAN COLLIER, et al.,

Defendants.

Case No. 6:19-cv-441-JDK-KNM

**ORDER ADOPTING THE REPORT AND RECOMMENDATION
OF THE UNITED STATES MAGISTRATE JUDGE**

Plaintiff Robert Miller, a former Texas Department of Criminal Justice inmate proceeding pro se, filed this civil rights lawsuit pursuant to 42 U.S.C. § 1983. The case was referred to United States Magistrate Judge K. Nicole Mitchell for findings of fact, conclusions of law, and recommendations for disposition.

On May 23, 2022, Judge Mitchell issued a Report recommending that the Court dismiss Plaintiff's lawsuit without prejudice for failure to prosecute. Docket No. 15. As explained in the Report, Plaintiff has not communicated with the Court since Judge Mitchell ordered the *Martinez* Report. Further, Plaintiff was released from imprisonment on July 26, 2021 but has not filed a change of address notice. A copy of the Report was sent to Plaintiff at his last-known address. To date, however, no objections have been filed.

This Court reviews the findings and conclusions of the Magistrate Judge de novo only if a party objects within fourteen days of service of the Report and

Recommendation. 28 U.S.C. § 636(b)(1). In conducting a de novo review, the Court examines the entire record and makes an independent assessment under the law. *Douglass v. United Servs. Auto. Ass'n*, 79 F.3d 1415, 1430 (5th Cir. 1996) (en banc), *superseded on other grounds by statute*, 28 U.S.C. § 636(b)(1) (extending the time to file objections from ten to fourteen days).

Here, Plaintiff did not object in the prescribed period. The Court therefore reviews the Magistrate Judge's findings for clear error or abuse of discretion and reviews his legal conclusions to determine whether they are contrary to law. *See United States v. Wilson*, 864 F.2d 1219, 1221 (5th Cir. 1989), *cert. denied*, 492 U.S. 918 (1989) (holding that, if no objections to a Magistrate Judge's Report are filed, the standard of review is "clearly erroneous, abuse of discretion and contrary to law").

Having reviewed the Magistrate Judge's Report and the record in this case, the Court finds no clear error or abuse of discretion and no conclusions contrary to law. Accordingly, the Court hereby **ADOPTS** the Report and Recommendation of the United States Magistrate Judge (Docket No. 15) as the findings of this Court. It is therefore **ORDERED** that this case is **DISMISSED** without prejudice for want of prosecution. In accord with Judge Mitchell's recommendation, the statute of limitations is hereby **SUSPENDED** in this case for a period of sixty (60) days upon issuance of the Final Judgment.

So **ORDERED** and **SIGNED** this 14th day of **June, 2022**.

JEREMY D. KERNODLE
UNITED STATES DISTRICT JUDGE
